LIBRARY REPORT

I am pleased to report that the statistics for library circulation per capita, meaning averaging the books taken out with the amount of the population of the Town, has steadily increased from .7 in 1980 to 2.2 in 1982, to 3.3 in 1983. This has been due to both an increase in the number of patrons and the number of books borrowed. Considering that we are only open two hours per week this compares very well with Ossipee, a town four times our size. Their circulation is 1.5 per capita.

In March, a one volume Encyclopedia of Bible Knowledge, which is also very good for historical reference, was purchased for \$7.00.

In April, mending tape, markalot, etc., and an inexpensive (\$13.99) set of metal shelves were purchased. I also obtained prices for materials, fifteen feet of heavyweight industrial rug joiner one foot wide for forty cents per running foot. This was to solve the problem of the rugs curling. Paint for the floor around them, heavy duty grade at \$5.00 dollars per gallon. I did not get the approval to get these.

Near the end of July when I asked the Trustees about getting the rugs fixed before cold weather I was told not to do anything about them that Mrs. Thompson would take care of it. This was done by removing the two good 12'x18' rugs and leaving a bare floor that is in need of paint. I do not believe that this is what you, the voters, had in mind when you increased the library appropriation.

The library subscribes to five magazines, Business, NH Country Journal, Personal Computer, Discover, and Large Print Readers Digest Books. Each Readers Digest book contains two to four books and at least one short story. Cost \$9.89 per year for five issues. Large print books purchased individually would cost thirteen dollars or more. By getting the Readers Digest books we can build up a better selection for more people at less cost until a better source can be found.

The World Book Yearbook will be a dollar more in 1985 costing \$18.98. This Encyclopedia set is fifteen years old. It is the 1970 edition. Arrangments should be made to set aside some money each year towards getting a newer set. We will have to have one eventually, and we should prepare for it. They range in price from \$500.00 to \$1000.00.

The library purchased fourteen children's and twenty-three adult books. The library also has two new wallpaper books in case you would like to see what is in style this year.

There are five gift subscriptions to magazines and a newspaper.

Many people gave books, paperbacks, and magazines and we thank you all. Special thanks to Mrs. Doyle, Mr. and Mrs. Robinson, Mrs. Jones, Sandy White, and Debbie Caulkins for the many books they gave to us and to the Ossipee Public Library for their gift of twenty-six books.

Librarian

REPORT OF TOWN CLERK
JANUARY THROUGH DECEMBER 1984

There have been several changes in services available to residents during the past year. In August the NH Division of Motor Vehicles finally designated the Town Clerk a Municipal Agent. This means that the Town Clerk may "sell" yearly decals for motor vehicle renewals on those vehicles weighing 8,000 pounds or less for a minimal fee of \$1.50 per vehicle over and above the State registration fee. This means residents no longer must travel to the Tamworth Substation to obtain renewal decals for their vehicles--the whole transaction can be completed through the Town Clerk's office. The NH City and Town Clerk's Association is currently working with Municipal Agents to convince the DMV to allow Municipal Agents to validate transfers for vehicles, hopefully as early as 1986. Also, under the Municipal Agent Program, residents may obtain 5 day temporary plates for vehicles not purchased from a NH automobile dealer. The fee for this service is \$2.00 for the plate, \$1.50 Agent's fee.

In November, the Town Clerk became a Notary Public. During regular Clerk's office hours any resident of Effingham (providing all outstanding resident taxes are paid) may have any document notarized free of charge.

Office hours have also been expanded: Mondays, 10 am - 1 pm, Wednesdays 10 am - 12 noon, Thursdays 6:30 pm - 9:00 pm. Appointments may be made in cases of extreme emergency at the convenience of the Clerk.

The Rabies Clinic was most successful, assuring pet owners and all residents that more animals are protected not only from rabies, but other diseases which attack house pets. We hope to conduct an equally, if not more, successful Clinic this year. Any one wishing to volunteer services to fill out vaccination forms, perform "housekeeping" duties, or help owners transport pets to and from the parking area will be heartily welcomed. It is the hope of all officials involved in the licensing process that pet owners will assume their total responsibility with regard to their animals--our goal is 100% immunization and licensing, and we can only reach that goal with the willing cooperation of all residents. An unimmunized animal is a threat to everyone--cats and dogs should have their rabies shots, and dogs should be licensed, not only for the protection of citizens but also for their own protection. If lost but wearing a tag, anyone finding the animal can reunite pet and owner through duplicate records kept by the Clerk and Police Chief.

The 1985 Town election marks a major benefit of our Town computers. Not only will we print our own Town general ballots, but Town absentee ballots became available the day after the filing period for office closed. Thus, we not only saved time and money, but have expedited the voting process for anyone out of town during the election.

NOTE: PLEASE REMEMBER THAT ANYONE UNABLE TO VOTE IN PERSON BECAUSE OF ABSENCE FROM TOWN, ILLNESS, OR RELIGIOUS OBSERVANCE MAY REQUEST AN ABSENTEE BALLOT TO BE RETURNED TO THE TOWN CLERK NO LATER THAN 5:00 PM THE DAY BEFORE THE ELECTION. THIS RIGHT TO EXERCISE THE MOST IMPORTANT DUTY AND PRIVILEGE IN A FREE SOCIETY IS TERRIBLY UNUSED IN EFFINGHAM COMPARED TO OTHER TOWNS OUR SIZE!! (Election Day "turnout" isn't much better, either.)

Finally, our Deputy Clerk, Delores Parker, was forced to resign because of health reasons. We regret losing a three year "partner", but are most grateful that Georgia L. Jenkins agreed to assume the position. We know she will become a most competent asset to the Clerk's office.

EFFINGHAM VOLUNTEER FIRE DEPARTMENT

The Effingham Fire Department operated with a fifteen man roster in 1984. Monthly business meetings and drills were conducted. The Department participated in three Mutual Aid drills and a mock disaster held at the Center Ossipee School.

The Department purchased four pagers to help increase the response of members to calls. Interior improvements were made at Station II. A ceiling was installed in the storage area and the vehicle room was painted.

The Fire Department answered 16 calls in 1984:

Number	Type
2	Structure
5	Chimney
3	Brush
2	Auto Accident
1	Mutual Aid
3	Alarms

The Department would like to thank everyone who helped support us in 1984. We are proud to serve this fine community and will strive to provide our best service in the future.

We wish you a fire safe year. In case of emergency, call 539-2261. Give name, location, and type of emergency.

REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

THE EFFINGHAM RESCUE UNIT REPORT FOR 1984

The Effingham Rescue Unit continued to provide ambulance and rescue service to our town and the surrounding area in 1984.

We are pleased to report the addition of the following new members:

Michelle Evleth - A.F.A.

Kathleen Gedraitis - R.N., E.M.T.-A

This brings our membership to nine members, six of whom are Emergency Medical Technicians and three of whom are Advanced First Aiders. Four of the E.M.T.'s received advanced training in Military Anti-Shock Trousers (M.A.S.T.) and one member went from A.F.A. to E.M.T.-A.

We spent 790 hours in courses held in Center Ossipee, Conway, Wolfeboro and Laconia. In addition, 24 hours were spent at monthly squad training sessions. These hours are required to maintain State and National competency levels.

In 1984, the Unit responded to the following calls:

Effingham	34
Freedom	17
Ossipee	3
Wakefield	1
Parsonsfield, Me.	1
Fire Department	5

61

The following patients were treated and/or transported by our Unit:

Town Residents	25
Out of Town	20
Out of State	9

54

Members spent approximately 720 hours in treatment and/or transport of patients.

This year, we were victims of senseless vandalism and theft the day before Christmas resulting in approximately \$9,000.00 in damage/losses. We nevertheless responded in our own vehicles with equipment we had in our "jump kits". The rescue truck was out of service for 23 days.

EFFINGHAM POLICE DEPARTMENT

This year the Town of Effingham has experienced its share of problems. Yet, with the cooperation of the townspeople we have been quite successful in solving these few, but serious problems. I was pleased with the confidential information leading to the arrest involving drugs in July 1984. I must also commend the State Police for their guidance and assistance this year. I feel the repore between the State and Town Police is one of great value to our residents. It is through these combined efforts that we are confident about solving the crime of vandalism to our Town ambulance that occurred December 23rd of this year.

The car accidents reported this year were all due to slick or icy road conditions. There were also two arrests made dealing with the misuse of firearms.

The dog complaints are still prevalent, and again I would like to remind everyone of the existing leash laws in Effingham.

REPORT OF THE EFFINGHAM PLANNING BOARD

During the course of 1984, the Effingham Planning Board welcomed Paul Dumas as a new member and added four new regulations to its subdivision regulations.

In addition to the 12 regular meetings, the Board held one special meeting to discuss new regulations, and numerous on-site inspections of various subdivisions. Four new subdivisions, of various sizes, were approved by the Board.

The Board meets the first Tuesday of each month at 7:30 pm at the Town Hall. Anyone is allowed to attend these meetings, and suggestions for the regulations are welcome.

Respectfully submitted,

Paul D. Potter, Secretary

The Activities Committee held five meetings throughout 1984 and was hampered by a lack of personnel to fill vacancies on the committee. T-shirts have now been obtained with the Town seal on them and are obtainable at the Town Hall during business hours.

The committee, again this year, with the loan of the fire station, put on the annual halloween party for the Town children.

The committee meets the first Thursday of each month at 7:30 pm at the Town Hall. All are welcome to attend and suggestions of any type of Town activity are encouraged.

VISITING NURSE ASSOCIATION

We enclose the schedule of costs of providing home health services to Effingham residents in 1984 and the computation of our 1985 appropriation request in the amount of \$800. We have computed our request based on services provided between 10/01/83 and 09/30/84. The only difference in our method of computation is that we spread the indirect costs by the ratio of visits rather than the ratio of direct costs for each town.

Our request represents a decrease of \$1,100. Services to Effingham residents decreased as the following statistics show:

	1983	1984
Number of residents receiving care	20	16
Home visits by Agency Staff	197	76
Home Health Aide visits contracted through Carroll County Health and Home Care	0	0

In addition to these home services we also provided Well Child Clinic services to 17 pre-school children. Two school age children attended our immunization clinic held in co-operation with the local school systems. One resident attended our Flu Immunization Clinic.

While both the number of residents receiving services and the number of visits made decreased this year, the level of care we now provide has increased as people are being discharged from the hospitals earlier.

We continue to bill insurances of all kinds for our services whenever possible. For those people whose care is not covered by insurance benefits we request that they pay as much of the charge as possible. Eighty-seven percent of the residents receiving on-going home care in Effingham were over 65 years of age and are generally living on fixed incomes. All home health services are provided under direct orders from a physician; we continue to provide the services ordered without full payment for those residents who cannot afford the full fee.

If our appropriation request cannot be granted in full on the basis of this information a hearing with the Board of Selectmen is respectfully requested.
